Dominium Adds Kenneth Rosenthal as IT Systems Administrator

MINNEAPOLIS – October 9, 2015 – Dominium, a leading apartment development and management company, today announced that it has hired Kenneth Rosenthal as IT Systems Administrator at their corporate office in Plymouth, MN. Kenneth will be responsible for resolving escalated support requests. In addition, Kenneth will assist with the development and installation of new and/or upgraded information systems hardware and software.

Previously, he was an IT Systems Specialist for American Business Group and a Senior Technical Support Analyst for ProCom. The hire was effective on September 14, 2015.

Kenneth has Bachelor's Degree in Information Technology from the University of Phoenix. He enjoys reading, working with computers and spending time with his friends and family. He currently resides in Eagan.

About Dominium

Founded in 1972, Dominium is a Minneapolis-based owner, developer, and manager of apartment communities nationwide. With more than 23,000 owned and/or managed units at 198 sites in 21 states, Dominium is known for creative solutions to unique and challenging development projects, and management expertise.
